

URFA COMMUNITY CENTER ACTIVITIES

At Urfa Community Center, we are organizing activities at the first place for children and women, individual and all family members who are our future as well as are affected from crisis. In this sense we are organizing activities of psychological support, playing together, movie shows, and children playing garden. At the same time, it provides consultancy support and guidance to the institutions and services of non governmental organizations which (they) welcome basic needs and necessities. At the same time, we have referral services for beneficiary who are in need to other ngos and institutions which which (they) welcome basic needs and necessities.
